THE STATE OF SOUTH CAROLINA 2009 ANNUAL SCHOOL REPORT CARD

RATINGS OVER 5-YEAR PERIOD

YEAR	ABSOLUTE RATING	GROWTH RATING
2009	Below Average	At-Risk
2008	Excellent	Excellent
2007	Excellent	Good
2006	Excellent	Good
2005	Excellent	Excellent

DEFINITIONS OF SCHOOL RATING TERMS

- Excellent – School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good – School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average – School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average – School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk – School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE GOAL

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

ABSOLUTE RATINGS OF CAREER CENTERS*

Excellent	Good	Average	Below Average	At-Risk

Report of Director and School Improvement Council

The Dorchester County Career and Technology Center has received the Palmetto Gold Award from the State Department of Education for the 7th consecutive year. The center serves all students from Dorchester County high schools. These include Ashley Ridge High School, Fort Dorchester High School, Summerville High School, Woodland High School, Dorchester Academy, home-schooled students, Sunset Alternative program and Givhans Alternative program. During 2008-2009 a total of 1064 students attended the Dorchester County Career and Technology Center. Approximately 150 students attended the all day program allowing them to receive their academic and career and technology classes on campus. The center offers classes in Architecture and Construction, Business Management and Administration, Health Science, Human Services, Information Technology, Manufacturing and Transportation with over sixty technical and academic staff members. A class in the Law, Public Safety and Security cluster was added this year, allowing the students to participate in a Fire Safety major. Donations of a fire truck and several sets of bunker gear were made by Dorchester County fire departments to help get the program started. The school participated in the five year accreditation process through AdvancED and the Southeastern Association of Colleges and Schools (SACS.) We are proud to say that the school has successfully received accreditation for the next five years. Our partnership with Trident Technical College began with them using our Trolley Road facility offering three evening classes including Community, Family and Child Studies; Psychology; and Cosmetology. The Student Industrial Council, which consists of representatives from each vocational class within the school, continued to grow and prosper encouraging students to take an active role in the school governance.

During the 2008-2009 school year, we had a total of 234 completers. A completer is a student that has received at least four credits in a career and technology major. Twenty six students participated in the Skills USA competition in Greenville, SC with three students earning awards in their career area. One earned 2nd place in the esthetician competition, 3rd place in the nail technology competition and 3rd place in the Food and Beverage competition. The student in the Food and Beverage competition earned a five hundred dollar four year scholarship to Johnson and Wales University. One masonry student placed first in the district competition, awarding the program five hundred dollars. Culinary Arts students participated in the QUEST competition and two students placed third in the district. The QUEST competition sponsored by Trident Technical College promotes academic excellence and recognizes students, teachers and schools that excel in academic and career areas. Students from the County's middle schools were involved in a summer day camp called Rosie's Girls. This camp was developed to promote student interest in nontraditional career areas. Eight girls participated, making the camp a success. The school's community outreach program was active and our students were able to share their career and technical skills with the local community. Events included the Convoy of Hope, trips to the Senior Citizens Center, nursing homes and Friday walk-ins in our Cosmetology and Nail Technology labs. The Cosmetology classes had 100 percent of students passing their state board exam.

James H. Villeponteaux III, Director Terry Tracy, SIC Chair

No Child Left Behind

School Adequate Yearly Progress	YES
---------------------------------	-----

* Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the state rating for career and technology centers must be Excellent, Good, Above Average, Average, or Below Average.
